COMPLAINT—CLASS ACTION - 1

KELLER ROHRBACK L.L.P.

COMPLAINT—CLASS ACTION - 2

II. JURISDICTION AND VENUE

- 1. This Court has subject matter jurisdiction pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. § 1332(d), because at least one Class member is of diverse citizenship from Defendant, there are 100 or more Class members nationwide, and the aggregate amount in controversy exceeds \$5,000,000. The Court has supplemental jurisdiction over Plaintiff's state law claims under 28 U.S.C. § 1367.
- 2. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b)(3) because the Court has personal jurisdiction over Defendant, a substantial portion the alleged wrongdoing occurred in this District and the state of Washington, and Defendant has sufficient contacts with this District and the state of Washington.
- 3. Venue is proper in the Western District of Washington pursuant to 28 U.S.C. § 1391(b)(2) because a substantial part of the events or omissions giving rise to the claims at issue in this Complaint arose in this District. Plaintiff's business is located in Bellevue, King County. This action is therefore appropriately filed in the Seattle Division because a substantial portion of the events giving rise to this lawsuit arose in King County.

conducted business in Washington by selling and issuing business insurance policies to policyholders including Plaintiff.

IV. NATURE OF THE CASE

- 7. Due to COVID-19 and a state-ordered mandated closure, Plaintiff's dental business has been interrupted, curtailed, and suspended.
- 8. Plaintiff intended to rely on its business insurance to maintain income in case of an insured loss. This lawsuit is filed to ensure that Plaintiff and other similarly-situated policyholders receive the insurance benefits to which they are entitled and for which they paid.
- 9. American Fire issued one or more insurance policies to Plaintiff, including the Commercial Protector Policy and related endorsements (collectively, "the Policy"), insuring Plaintiff's property and business and other coverages from July 1, 2019, to July 1, 2020.
- 10. Plaintiff's business property includes property owned and/or leased by Plaintiff and used for general business purposes for the specific purpose of operating a dental business and other business activities.
- 11. Defendant American Fire's insurance policy issued to Plaintiff promises to pay Plaintiff for "direct physical loss of or physical damage to" covered property.
- 12. The Policy includes coverage for risks of both damage to and loss of covered property.
- 13. Defendant American Fire's insurance policy issued to Plaintiff includes Business Income Coverage, Extra Expense Coverage, Extended Business Income Coverage and Civil Authority Coverage.
 - 14. Plaintiff paid all premiums for the coverage when due.

- 15. On or about January 2020, the United States of America saw its first cases of persons infected by COVID-19, which has been designated a worldwide pandemic.
- 16. In light of this pandemic, on February 29, 2020, Washington Governor Jay Inslee issued Proclamation 20-5, declaring a State of Emergency for all counties in the state of Washington as the result of COVID-19. Thereafter, Governor Inslee issued a series of certain proclamations and orders affecting many persons and businesses in Washington, whether infected with COVID-19 or not, requiring certain public health precautions.
- 17. On March 19, 2020, Governor Inslee issued Proclamation 20-24, "Restrictions on Non Urgent Medical Procedures." The proclamation provides, in part:

WHEREAS, the health care person protective equipment supply chain in Washington State has been severely disrupted by the significant increased use of such equipment worldwide, such that there are now critical shortages of this equipment for health care workers. To curtail the spread of the COVID-19 pandemic in Washington State and to protect our health care workers as they provide health care services, it is necessary to immediately prohibit all hospitals, ambulatory surgery centers, and dental, orthodontic, and endodontic offices in Washington State from providing health care services, procedures and surgeries that require personal protective equipment, which if delayed, are not anticipated to cause harm to the patient within the next three months[.]

- 18. On March 23, 2020, Governor Inslee issued Proclamation 20-25, "Stay Home—State Healthy." The proclamation requires that "[a]ll people in Washington State [] immediately cease leaving their home or place of residence except: (1) to conduct or participate in essential activities, and/or (2) for employment in essential business activities." The proclamation prohibits "all non-essential businesses in Washington State from conducting business, within the limitations provided herein."
 - 19. Governor Inslee has extended Proclamation 20-25 until May 31, 2020.
- 20. By order of Governor Inslee, dentists including Plaintiff were prohibited from providing dental services but for urgent and emergency procedures.

- 21. No COVID-19 virus has been detected on Plaintiff's business premises.
- 22. Plaintiff's property has sustained direct physical loss and/or damage related to COVID-19 and/or the proclamations and orders.
- 23. Plaintiff's property will continue to sustain direct physical loss or damage covered by the American Fire policy or policies, including but not limited to business interruption, extra expense, interruption by civil authority, and other expenses.
 - 24. Plaintiff's property cannot be used for its intended purposes.
- 25. As a result of the above, Plaintiff has experienced and will experience loss covered by the American Fire policy or policies.
- 26. On March 26, 2020, Plaintiff submitted a claim for its losses covered by the Policy.
- 27. On April 6, 2020, American Fire denied coverage. In a letter to Plaintiff, American Fire stated:

This letter is to inform you that we have conducted an investigation for your claim for the reported loss of income due to a declaration of emergency from the American Dental Association and a subsequent, [sic] "stay at home" order from the governor of Washington requiring the closure of some businesses for a period of time beginning March 23, 2020 for a time of "at least two weeks." This order directly affected your dental practice forcing a closure of the business until the order has been lifted.

28. Upon information and belief, American Fire has denied and will deny all similar claims for coverage.

Excluded from the Classes are Defendant's officers, directors, and employees; the judicial officers and associated court staff assigned to this case; and the immediate family members of such officers and staff. Plaintiff reserves the right to amend the Class definitions based on information obtained in discovery.
- 32. This action may properly be maintained on behalf of each proposed Class under the criteria of Rule 23 of the Federal Rules of Civil Procedure.

COMPLAINT—CLASS ACTION - 9

21	
22	
23	

33	Numerosity : The members of the Class are so numerous that joinder of all
members	ld be impractical. Plaintiff is informed and believes that the proposed Class
contains t	sands of members. The precise number of class members can be ascertained
through d	very, which will include Defendant's records of policyholders.

- 34. **Commonality and Predominance**: Common questions of law and fact predominate over any questions affecting only individual members of the Class. Common questions include, but are not limited to, the following:
 - A. Whether the class members suffered covered losses based on common policies issued to members of the Class;
 - B. Whether American Fire acted in a manner common to the class and wrongfully denied claims for coverage relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;
 - C. Whether Business Income Coverage in American Fire's policies of insurance applies to a suspension of business relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;
 - D. Whether Extended Business Income Coverage in American Fire's policies of insurance applies to a suspension of business relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;
 - E. Whether Extra Expense Coverage in American Fire's policies of insurance applies to efforts to minimize a loss at the covered premises relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

- F. Whether Civil Authority Coverage in American Fire's policies of insurance applies to a suspension of business relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or civil authorities;
- G. Whether American Fire has breached its contracts of insurance through a blanket denial of all claims based on business interruption, income loss or closures related to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;
- H. Whether, because of Defendant's conduct, Plaintiff and the class members have suffered damages; and if so, the appropriate amount thereof; and
- I. Whether, because of Defendant's conduct, Plaintiff and the class members are entitled to equitable and declaratory relief, and if so, the nature of such relief.
- 35. **Typicality**: Plaintiff's claims are typical of the claims of the members of the classes. Plaintiff and all the members of the classes have been injured by the same wrongful practices of Defendant. Plaintiff's claims arise from the same practices and course of conduct that give rise to the claims of the members of the Class and are based on the same legal theories.
- 36. **Adequacy**: Plaintiff will fully and adequately assert and protect the interests of the classes and has retained class counsel who are experienced and qualified in prosecuting class actions. Neither Plaintiff nor its attorneys have any interests contrary to or in conflict with the Class.
- Adjudications and Impairment to Other Class Members' Interests: Plaintiff seeks adjudication as to the interpretation, and resultant scope, of Defendant's policies, which are common to all members of the class. The prosecution of separate actions by individual members COMPLAINT—CLASS ACTION 11

23

of the classes would risk inconsistent or varying interpretations of those policy terms and create inconsistent standards of conduct for Defendant. The policy interpretations sought by Plaintiff could also impair the ability of absent class members to protect their interests.

- 38. Federal Rule of Civil Procedure 23(b)(2), Declaratory and Injunctive Relief: Defendant acted or refused to act on grounds generally applicable to Plaintiff and other members of the proposed classes making injunctive relief and declaratory relief appropriate on a classwide basis.
- 39. Federal Rule of Civil Procedure 23(b)(3), Superiority: A class action is superior to all other available methods of the fair and efficient adjudication of this lawsuit. While the aggregate damages sustained by the classes are likely to be in the millions of dollars, the individual damages incurred by each class member may be too small to warrant the expense of individual suits. Individual litigation creates a risk of inconsistent and/or contradictory decisions and the court system would be unduly burdened by individual litigation of such cases. A class action would result in a unified adjudication, with the benefits of economies of scale and supervision by a single court.
