

The last in our *Speed Graphics and Steam* series!

Your portal to the past—a 192-page hardcover

On a family cottage trip in early August 1958, three weeks after his journey with Don Wood and Herb Harwood, John Rehor pursues mainline steam action on the Canadian National's Belleville Division. As a foreshadowing to a later adventure, he acquaints himself with the Maynooth Subdivision mixed train. He doesn't forget the Canadian Pacific's Bobcaygeon way freight.
