WE'RE BACK WITH A FRESH CALENDAR TO ADORN your kitchen, train room, study, workshop—wherever you like to gaze upon 1950s Canadian railway scenes! Each picture measures 9 inches wide by 11<sup>1/2</sup> inches high—the same as our books on your shelf! A horizontal format presents scenes wider than they would appear in a book.

## Our calendar is all-colour this time!

For your wistful flashbacks to the glorious railway era of the 1950s, we present you with sparkling images of Canadian steam-era subjects. Each picture corresponds to its assigned month—and we've added January 2022 as a bonus for you, making a baker's dozen of images!

## To not to spoil your surprise, we'll only say...

As you flip through your calendar, you'll see images depicting 1950s Canadian steam railway operations you find in our books. We selected your pictures from 700 candidates! They feature steam locomotives,

but a couple of diesels and one station-and-train image sneaked in. There's CN and CP; mainline, branchline and terminal; large and small engines. Each picture features a locomotive or train in a scene. All the images have been prepared by James A. Brown. Most of the photos are taken in Ontario, with one each from Quebec and New Brunswick.

## Choose between two special price options

We can ship your calendar(s) to you in September, hot off the press. The all-inclusive price for that option is **\$29.95 CAD** (to addresses in Canada) or **\$25.95 USD** (to the United States or overseas). Or, if you have pre-ordered *Speed Graphics and Steam 1958! vol. 3* (to be shipped near the end of October), we'd be happy to enclose one or more calendars in the same shipment for the lower all-inclusive price of **\$24.95 CAD** or **\$19.95 USD** apiece, applicable to destination.

## Readers appreciated our 2020 calendar...

So much that we're *still* receiving orders for them! Readers often report that they purchase them for the large, sharp photographs alone! (the 2020 calendar is not listed on this brochure, but if you'd like to add one to your order they are **\$19.95 CAD** or **\$14.95 USD**).

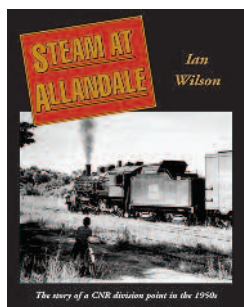

## But we learned something last time around...

When we announced our *2020 Canadian Branchline wall calendar* in October 2019, many readers and retailers told us that people start looking for next year's calendar after Labour Day! So we've moved the project sooner, in order that you may plan ahead.

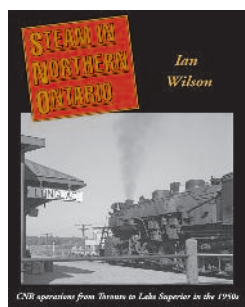

## Even when downsizing, you need a calendar!

Support a Canadian business which promotes your interest in steam railway subjects. While you're at it, stroke off a few gift recipients! We'll ship the calendars in the order we receive the reservations. Make sure you're early! The *2021 Canadian Branchline wall calendar* is printed on high-gloss archival paper—in Ontario, Canada.
