

**AIU | INSTITUTE FOR
PRIVATE TRAINING**

معهد الجامعة الأمريكية الدولية للتدريب الأهلي

01 Certified Artificial Intelligence Professional (CAIP)

Duration:
150 hours

Program Description:

The Certified Artificial Intelligence Professional (CAIP) is a comprehensive, in-person, 150-hour training program designed to equip students with a solid understanding of artificial intelligence, its underlying principles, tools, techniques, and cutting-edge technologies. This certification program provides a unique blend of theoretical knowledge and practical skills needed to excel in AI-driven business environments. Upon successful completion, students earn a Certified AI Professional certification, validating their competency in artificial intelligence concepts and their practical application.

Successful completion of all the below modules is necessary to earn the CAIP credential.

0101 Artificial Intelligence Foundations

- Duration: 15 hours

0102 Mathematics for Artificial Intelligence

- Duration: 20 hours

0103 Artificial Intelligence Programming

- Duration: 20 hours

0104 Machine Learning Specialist

- Duration: 30 hours

0105 Deep Learning Specialist

- Duration: 20 hours

0106 Artificial Intelligence Language Technologies

- Duration: 15 hours

0107 Robotics and Artificial Intelligence

- Duration: 10 hours

0108 Ethical Artificial Intelligence

- Duration: 10 hours

0109 Artificial Intelligence Practitioner

- Duration: 10 hours
