

COEUR D'ALENE CASINO

LOCATION: WORLEY, IDAHO

I-5 DESIGN | www.i5design.com

LIGHTING

Custom blue pendants contrasted against the specialty metal copper wall panels, creates a dynamic feature within the space.

SIGNAGE

The new signage was integrated into the overall decor and theming plan to create a very unique and quality presentation for the space.

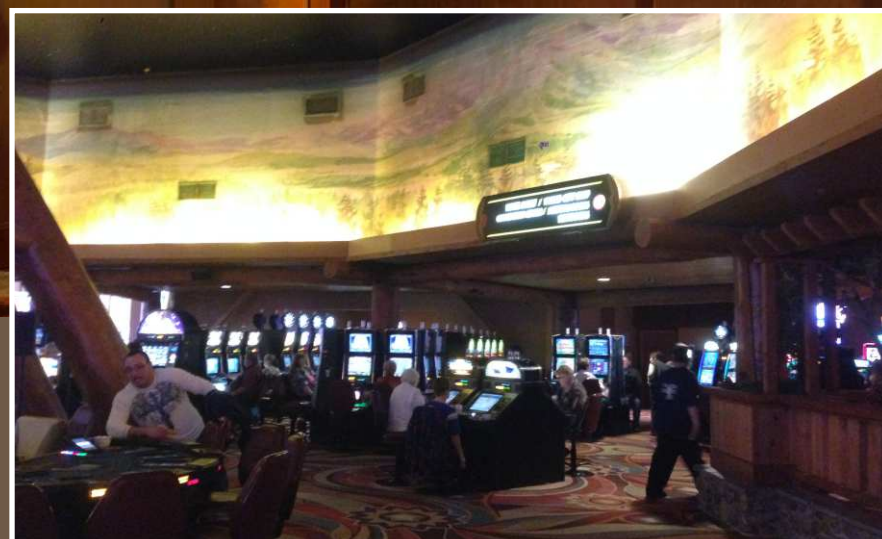

SPECIALTY MATERIALS

Custom etched metal surfaces and vibrant wall coverings, along with the deep wood finishes and dark accents, worked together to create a one-of-a-kind lounge environment.

LIGHTING

Custom chandeliers with warm mica diffusers help to provide a soft glow onto the seating area.

CUSTOM MURAL

A birch forest scenery adds visual interest while building into the overall theme and color palette.

CARPET DESIGN

A specialty carpet uses thematic elements throughout the buffet to add a richness to the entire space.
