

Third in our all-colour softcover series!

We begin in the spring of 1956, and throughout the pages you will revisit favourite haunts—Bayview/Hamilton Junction, Dundas, Guelph, Kitchener, Galt, Stratford, London, Southampton and Lambton.

The photo reproduction is the same high quality you have come to expect with our **Made in Canada** product. Ian Wilson's narrative, combined with graphic artist Rebeca's photo finishing, is served up to you on the finest glossy archival paper stock by our friends at Ampersand Printing.

As with all our *Encounters* volumes, you will savour a collection of photographic vignettes, fleeting glimpses. These cover the southwestern Ontario scene between 1956 and 1959. Pick up the 48-page softcover book and lose yourself in the spreads anytime!

Steam Encounters in Ontario vol. 2 is a companion to the first two editions already on your shelf. But, if you have holes in your collection, be sure to fill them in by taking advantage of our special prices on back-list titles—only for the five-day period of this online launch!

The limited-edition *Steam Encounters in Ontario vol. 2* will ship in May 2022.

We are pleased to present the third volume in our *Encounters* series

Escape back to the 1950s railway scene in southwestern Ontario with our third all-colour title in the *Encounters* series. Sit back, relax, and turn the pages as we resume our adventures with photographer Jim Guerin.
