Defendants.

Case No. 20CV33885

Case Assigned to: Hon. Steffan Alexander

FINAL VERDICT

As you have been instructed, at least nine jurors must agree on an answer. However, it is not necessary that the same nine jurors agree with respect to each answer. For example, nine jurors may reach a verdict on a particular plaintiff's claim for economic damages, but a different group of nine jurors may reach a verdict on that plaintiff's claim for noneconomic damages.
