

VERDICT FORM

2 As you have been instructed, at least nine jurors must agree on an answer. However,
3 it is not necessary that the same nine jurors agree with respect to each answer. For example,
4 nine jurors may reach a verdict on a particular plaintiff's claim for noneconomic damages,
5 but a different group of nine jurors may reach a verdict on another plaintiff's claim for
6 noneconomic damages.

7 We, the jury, find:
