

Stillpoint Lodge Floatplane Charter Rates 2027

Rates are in USD, total for all passengers and luggage, include tax, and are subject to change. Gratuity not included. Guests are welcome to tip the pilot directly in cash. Helicopter air taxi rates available on request.

Aircraft	Cessna 206	DeHavilland Beaver	DeHavilland Otter
	900 lbs. total weight limit up to 4 passengers & luggage	1,200 lbs. total weight limit up to 5 passengers & luggage	1,800 lbs. total weight limit up to 9 passengers & luggage
Private Air Taxi Between: Anchorage & Stillpoint 75 minutes, one-way	\$2,361	\$3,219	\$5,729
Private Add-On: Glacier & Icefield Tour Enroute to Stillpoint ~ 20 minutes extra	Add \$532	Add \$658	Add \$1,422
Glacier & Icefield Tour Enroute to Stillpoint Lodge Description: As part of your arrival or departure flight, enjoy a scenic side tour of Harding Icefield. This add-on offers even more breathtaking landscape along the way than your typical air taxi transfer. This is the largest continuous field of solid ice contained entirely within the US, spawning over 40 glaciers of all types.			
Private Add-On: Denali Flightseeing Tour from Anchorage ~ 3 hours	\$2,756	\$4,593	\$6,408
Denali Flightseeing Tour: Explore the incredible glaciers, peaks, and valleys of Denali, North America's tallest mountain on this 3-hour add-on from Lake Hood Seaplane Base. At a formidable 20,310 feet tall, Denali is the centerpiece of Denali National Park, which is 240 miles north of Anchorage. Add this flight onto your lodge arrival or departure day for a seamless bonus adventure.			

Please inquire about other routes, if needed.

Our team will assist every step of the way, and we ask that you wait to make travel arrangements until we have the opportunity to discuss our special transportation and tidal considerations.
