NUTRITION GUIDE - October 2019 Menu

The nutrition information is derived from testing conducted in accredited laboratories, published resources, or from information provided from Huddle House suppliers. The nutrition information is based on standard product formulations and serving sizes (including ice for beverages). All nutrition information is based on average values for ingredients from Huddle House suppliers throughout the U.S. and is rounded to meet current U.S. FDA NLEA guidelines. This information is correct as of May 2019, unless stated otherwise.®
