WHAT IS HUDSONALPHA WIREGRASS?

HudsonAlpha Wiregrass is a public-private collaboration between the City of Dothan and the non-profit HudsonAlpha Institute for Biotechnology, focused on agricultural research, economic development and genomics education.

WHAT WILL HUDSONALPHA WIREGRASS DO?

1. Grow the Wiregrass agriscience economy, creating new jobs and opportunities

2. Starting with peanuts, use genomics-assisted breeding and selection to develop improved crops

3. Spark student interest in agriscience and genomics topics to develop new career pathways
WHAT WILL HUDSONALPHA WIREGRASS SPEND MONEY ON?

PEEP

\[\begin{align*}
P & \rightarrow \text{PERSONNEL} \\
E & \rightarrow \text{EQUIPMENT} \\
E & \rightarrow \text{EXPERTISE} \\
P & \rightarrow \text{PROGRAMS}
\end{align*}\]
