

Dear Parents

**SAVE THE DATE!** On Tuesday, September 18, we have invited Protect Young Eyes ([protectyoungeyes.com](http://protectyoungeyes.com)) to visit Hudsonville Christian Middle School. The purpose of their visit is to increase the digital IQ of our families and our staff. Led by Chris McKenna, PYE is a team of digital experts who present around the country.

We ask/strongly encourage ALL parents of 5th through 8th grade students to attend this 90-minute presentation - *Digital Culture of Kids for Parents and Caring Adults* - on Tuesday, September 18 starting at 6:30 p.m. in the MS south gym. While this presentation is recommended for parents of students in grades 5-8, any parent of any age child is more than welcome to attend. This presentation will take the place of the traditional MS Parent Information Night, however, MS staff will be at the presentation so that you can touch base with them if needed after the presentation. Look for the RSVP link soon!

Here's a link to an amazing post about [Digital Screen Time](#) from the PYE Team to give you an idea of what they teach.

Raising our children to use technology well is a primary concern to parents and the other adults in their lives. It is vital that we are all educated in this area. Please make arrangements so that you are able to attend this presentation on Tuesday, September 18 starting at 6:30 p.m. in the MS south gym.

Yours in Christ,

A handwritten signature in cursive script that reads "Mary Broene".

Mary Broene

Middle School Principal
