

## **English Language Arts Throughlines Hudsonville Christian School**

Students who study English language arts at Hudsonville Christian School will understand that...

- God made us with the ability to communicate.
- We can use language to praise and honor God.
- Communication should be used to promote the love of our neighbors.
- Reading, writing, speaking and listening build on each other.
- We have the responsibility to communicate with clear and proper presentation in writing and speaking.
- Communication skills help us better understand and enjoy God.
