Wonderful Pistachios = The Portion-Savvy Snack

It's all thanks to the **PISTACHIO Principle...**

Eating in-shell pistachios may help slow down consumption and curb calorie intake. Seeing all those empty shells may trick your brain into thinking you've eaten more than you have.

In a nutshell, it's a delicious way to keep portions in check!

This Super Bowl Sunday, there's something wonderful for everyone...

- Roasted & Salted** (bestseller!)
- Salt & Pepper** (classic crowd pleaser!)
- Sweet Chili** (tangy with a kick!)
- Lightly Salted**
- Roasted No Salt**

Stock up, and snack happy!
