

Class 5L News

October 2013

Greetings Parents and Guardians of Class 5L!

Can you believe it's October already? The first month of school has flown by and we are definitely in the full swing of things.

Hopefully by now, you have checked out our class website. If you haven't seen it yet, I strongly encourage you to take a look. There you will find weekly updates on what your child is learning, important class and school information, as well as a variety of ways you can support your child academically. Since our class website will be updated regularly, our monthly newsletters will just be a quick glimpse into what is going on in our classroom.

Math

Just last week, we completed our unit on Place Value.

Over the next few weeks, we will be exploring **Reading, Adding and Subtracting Money**.

Literacy

Last week we completed our DRA assessments.

For the month of October we will be working on Writing Basics— Grammar, Punctuation and spelling. These are the building blocks of great writers!
