

Monday's Numeracy Math Test – What do I need to know?

- a) How to estimate to check the reasonableness of an answer
- b) How to add three 4-digit numbers
- c) How to subtract a 4-digit number from a 4-digit number
- d) How to solve word problems and explain my math thinking

You do not have to complete all the review questions. I encourage you to focus on the areas that challenge you most. Here are some review questions that focus on each area:

	p. 104	p.118-119	p. 122 -123
Estimating	-	#6, 7, 8, 11	#5
Adding	#4	#5,6	#5, 6
Subtracting	-	# 11, 12	#7
Word Problems	#6, 7	#7	#7

Students also have Adding and Subtracting Practice worksheets from earlier this week. They can continue practicing the questions on these sheets as further review.

Also, check out the Nelson Grade 5 Math website for online review.

<http://www.math5.nelson.com/studentcentre/studentcentre.html>

Our test will be based on Chapter 4 (Lessons 2, 3, and 4).
