

Courage

**When I show that I'm courageous
In everything I do,
I don't give up – I never quit...
I want to see it through!**

**Sometimes when I show courage
In choosing what I say
I'm just a little scared inside...
But, I do it anyway!**

**I'm courageous - I am brave...
It means I'm fighting fear.
I stand up tall and speak the
truth...
My courage is in here!**
