

Write a letter to yourself:

- What do you think Grade 8 will be like? Choose 3 things.
- What do you hope to get out of Term 1? Choose 3 things.
- What are your 3 academic goals for Term 1? What would you like to see on your report card (*learning skills, marks, etc*)
- How do you plan on achieving these goals? (*Example: getting extra homework for concepts I do not understand; completing all assignments on time, etc*)
- Why do these goals matter to you? (*Do you have a specific profession you want to be? Do you have a goal for your average? Are you trying to prepare for highschool?*)
