Preparing For A Public Service
Announcement

In class, we're going to be creating public service announcements to inform others about the different health topics that we've studied.

Choose one of these health topics:

- 1) Bullying Prevention
- 2) Effects Of Alcohol Use
- 3) How To Say No To Alcohol
- 4) Reading Food Labels
- 5) Making Healthy Choices Based On Food Labels

Using a personal device that you have at home or a piece of paper, list ideas that you may want to include in a public service announcement about your chosen topic. Bring your ideas into school on January 14th, so that we can discuss them and look at ways to use them in public service announcements.
