

'TIS THE SEASON TO BUY GIFT CARDS...

'TIS ALWAYS THE SEASON TO BUY GIFT CARDS!

Are you planning to buy gift cards for this upcoming Holiday season?

Do you buy groceries and gas?

Do you go to the movies, go out for dinner, or frequent a coffee establishment?

Are you updating your home with renovations or décor?

Does your company buy gift cards for staff or clients?

Here's your chance to complete holiday shopping, while easily supporting Ancaster Senior Public School with [FundScrip](#)!

Here's the good news:

When you pre-purchase gift cards before you go shopping, FundScrip gives up to 2% to 10% cash rebate to ASPS, based on the everyday purchases of groceries, gas, clothing, and entertainment. We in turn earn cash rebates up to 2% to 10% on all your purchases. **Over 50 gift cards to choose from!**

Here's the even better news:

FundScrip is a fundraiser that you contribute to without spending a PENNY more than you do in your day to day life!

Imagine this:

You make your usual visit to the grocery store. You fill your cart with items you need and go to the check out. Instead of paying with cash or debit, you use a gift card that you purchased through Ancaster Senior Public School. You pay the same for your groceries, but also just contributed to our school.

So here is how this Canadian program works:

- Choose the pre-paid grocery/gas or gift cards you would like to purchase for yourself and others on the order form
- Ask friends, family, co-workers for their support (it doesn't cost them anything extra.) They will be spending this money anyways!
- Total up your orders and attach a cheque(s), made payable to Ancaster Senior Public School
- Return the completed form with payment to your child's homeform teacher ASAP

FORMS & CHEQUES DUE NO LATER THAN MONDAY NOVEMBER 25th, 2013

Order will be sent home with your child unless pick up is requested.

Orders will be delivered on December 10th, 2013.
