Note: Students and parents are advised that there are specific financial, academic, and attendance criteria set by Kiwanis. As resources are limited, a forwarded application does not guarantee financial relief. Kiwanis reserves the right to allocate funds at its sole discretion.

If the applicant is granted financial relief, she/he is expected to make reasonable academic progress and to maintain a good attendance record. If either of these conditions is not met during the course of the school year, the relief may cease without notice. At the end of the relief period, the student will be required to complete a report indicating how the financial relief was used – so the student must keep track.
