

HELP WANTED

With winter weather fast approaching we are going to start our winter clothing drive right now. Please consider donating gently used boots, hats, coats, scarfs, mitts, and snow pants that your family no longer needs. The winter gear will be distributed to kids families within our school community and at a local family shelter.

When: From now until Friday Nov. 11th

Where: Kids can bring in items or you can drop them off in a bin located on the first floor.
