

Literature Circle Week 5 Response

This week we are focusing on **character perspective**.

Choose one major plot point from the story. If that event/story was told from the perspective of a different character in the story, how would the story change? Explain your answer and back it up.

OR

Compare the perspective of the main character with that of a minor character (you may choose any you like). How could the change of perspective change the way the story is told? Explain and back up your answer.
