## Literature Circle Week 6 Response

Now that you have read the entire novel, what is your opinion of the book? Choose a stance: Would you recommend the book to a friend?

If yes, explain in detail at least one strength of the book that you feel made the book effective. Consider perspective, messages, organization, etc. Use examples from the story to support your answer.

If <b>no</b> , what did you feel could be changed about the book to improve so that you would have enjoyed it as a reader? Consider perspective, messages, organization, etc. Use examples from the story to support your answer.
