We are once again donating the pre-plated dinners that used to be served after our grand buffet to DOROT, a non-profit organization, for distribution. Desserts, coffee and tea will be served during the presentation of awards.

Consistent with our past success, in 2018 with the cooperation of DOROT and the generosity of our Dinner attendees, the Jewish Lawyers Guild provided a full Thanksgiving banquet to over 350 seniors and delivered another 300 dinners to those who were home bound.

DOROT's mission is to alleviate social isolation among the elderly and provide services to help them live independently as valued members of the community. DOROT serves the Jewish and wider community bringing the generations together in a mutually beneficial partnership of elders, volunteers and professionals.
