The EC has decided to start preparing the bylaws in particular to regulate the Assembly. To this goal, the bylaws of a few important associations will be studied and a draft will be proposed to the EC.

The Ontolog telecon is approaching. The structure of the telecon is as follows: Guarino gives the historical background and introduces the IAOA. Some members of the EC will discuss specific topics like the relationship of IAOA with other initiatives/events/institutions and other topics relevant for the IAOA activities. There will be space for personal motivations, recommendations, views. After the presentation there will be an open discussion. The presentation will be further prepared and coordinated via email.

The IAOA will organize a bulletin/newsletter. The form and content will be discussed in another meeting.
