The EC recognizes that the upcoming EC Election is under the jurisdiction of the IAOA Election Committee for 2012. Discussions were made on some of the touch-points between the EC and the Election Committee, to make sure all details are covered, and to ensure a smooth eBallot for both the EC Election and the ByLaws Adoption in July.

The President will collect the list of members with the date of their first registration to IAOA to allow the election committee to verify that EC candidates have been members for at least one year.

Some discussions were made to coordinate details of the upcoming FOIS and the face-to-face IAOA Assembly that will take place during that time. More details are expected to be released shortly.
