- Oliver Kutz
- Frank Loebe
- Fabian Neuhaus
- Leo Obrst
- Peter Yim (invited)
- Laure Vieu

The EC has discussed the FOIS 2014 organization and decided to proceed with the tradition of having two Program Chairs covering two different areas. Two candidates for these positions have been selected. These people will be contacted soon by the FOIS General Chair.

The status of the relationship between the Vespucci Initiative and IAOA has been addressed including the visibility of IAOA in co-organized initiatives. Regarding the Summer Institute 2013, co-organized by the IAOA, the EC discussed about the costs the association can cover and possible scholarships. The IAOA will need certain figures of the school budget to make a decision. The President will bring all these issues up with W. Kuhn and the Education Committee until the next EC meeting.

The IAOA website will be updated in the next weeks.

The EC looked at the membership renewal status. Reminders will be sent to members.

The status of the Advisory Board has been considered. The list of A.B. members needs to be updated, including the A.B. mailing list.

The EC was updated on the status of the Ontology Summit 2013 on "Ontology Evaluation Across the Ontology Lifecycle", meetings in these weeks focus on "intrinsic" and "extrinsic" evaluation.
