- [QR Codes](#)

As much as we recommend these resources, Theresa Cenicola and TGC Communications LLC do not accept responsibility for any purchases you make, business you conduct, or relationships you may initiate with anyone listed in this directory.

The nature of directory publishing is that listings may become inaccurate as time passes. Please direct any bad links or changes in information you may learn of to our team at support@theresacenicola.com . We appreciate it!

Some of the links above are affiliate links, which means that we earn a small commission on sales of those products due to our relationship with the merchants. However, we never recommend any service or product solely for the reason of receiving commissions - this Rolodex is intended to be a resource to help you grow your business, not a revenue generator for our business.
