Step 1: What is your annual business income goal? \$ _____

Step 2: Divide that number by 48 for 4 weeks vacation! = \$ _____
(Feel free to give yourself more time off!)

Step 3: How many hours a week do you want to work? _____

Step 4: Divide the number in Step 2 by the number in Step 3 and place that number here:
\$ _____

Step 5: See that number in Step 4? THAT is how much your time is worth PER HOUR! Your time is valuable, right?!

Step 6: Memorize that number and begin to evaluate how you spend your precious time. Is every activity you do worth losing the income potential in Step 4?
