DR. **NAME OF PRACTICE EARNS ICPA PEDIATRIC CERTIFICATION TO BETTER CARE FOR CHILDREN AND FAMILIES**

City, State: Dr. **Name** is proud to announce that **he/she** has been granted Pediatric Certification by the Academy Council of Chiropractic Pediatrics (CACCP) in the International Chiropractic Pediatric Association's (ICPA) renowned Certification Program on **date**.

The ICPA offers Doctors of Chiropractic an opportunity to achieve certification in pediatric wellness chiropractic through advanced academics and clinical studies. The 200-hour curriculum provides the doctor with techniques and protocols of care for children and pregnant women. The 20-course program covers advanced levels of training and expertise additional to what is offered in chiropractic colleges.

Dr. **Name** is granted **his/her** Pediatric Certification from The Council of Chiropractic Pediatrics of the [Academy of Chiropractic Family Practice \(ACFP\)](#). They have been designated with the CACCP credentials and proudly remain a member of the ICPA.

This certification enables Dr. **Name** to expand **his/her** range of care to individuals throughout pregnancy and childhood with excellence and in accordance with evidence-informed practice. **Add personalized quote. i.e. – “With the training and support of ICPA, I am thrilled to provide better care and have a greater impact on health and wellness in my community,” shares Dr. Name.**

ABOUT PRACTICE

(short paragraph about your practice)

ABOUT ICPA

The International Chiropractic Pediatric Association (ICPA) is a nonprofit organization whose mission is to advance chiropractic by establishing evidence-informed practice, supporting excellence in professional skills and delivering educational resources to the public. It fulfills this mission by engaging and serving family chiropractors worldwide through Research, Training and Public Education. Founded in 1986, the ICPA is the profession's oldest, largest and most sought out chiropractic pediatric association.
