DR. **NAME OF **PRACTICE** WELCOMES FAMILIES IN THE COMMUNITY TO JOIN**
****HIS/HER** PATHWAYS CONNECT GROUP**

City, State: Dr. **Name** recognizes that parents are faced with many choices regarding their families' health and provides informed-choice resources for **his/her** community via a *Pathways* Connect group. The purpose of Dr. **Name**'s *Pathways* Connect group is to provide resources and tools to introduce and foster the family wellness lifestyle in the community.

There are no fees or membership required for parents to attend *Pathways* Connect meetings. Any parent or community member is welcome to participate. Interested individuals can visit **add website** or call **###-###-####** to learn more about the next gathering on **date and time** at **office address**.

Using *Pathways to Family Wellness*, a magazine relevant to family well-being, parents meet and discuss these thought provoking and inspiring articles. All attendees receive a complimentary copy of *Pathways* and Dr. **Name** will also introduce talking points and resources to the attendees.

There are more than 600 established *Pathways* Connect groups throughout the world. The unique nature of these groups is that each individual is given the opportunity to share their successes and challenges on many diverse parenting topics. Each participant has the opportunity to share their real-life experiences and provide practical solutions for all to glean from.

By hosting this *Pathways* Connect group, Dr. **Name** is supporting **his/her** community and encouraging healthy lifestyles. **Add personalized quote. i.e. –** "By hosting a *Pathways* Connect Group, I have found that I am providing a safe place for parents to discover and share their quest and experiences for family wellness," shares Dr. **Name**.

ABOUT PRACTICE

(short paragraph about your practice)

ABOUT PATHWAYS

Pathways is a quarterly magazine which provides timely articles and updates relevant to your family's well-being. This full color magazine contains informative articles designed for parents, educators, practitioners and other interested readers. The articles in *Pathways* support family wellness and provide thought provoking pertinent suggestions and resources to its readers. Your subscription to *Pathways* supports the International Chiropractic Pediatric Association (ICPA), a nonprofit organization dedicated to advancing research, training and public education of the chiropractic family lifestyle. For more information about *Pathways*, visit pathwaystofamilywellness.org.
