

LACC Internship Consultation Program

Kimberly Green Latin American and Caribbean Center
Florida International University
Miami, FL

Eric. M. Feldman, M.S., Global Learning & Internships Coordinator

Program Purpose
& Target
Populations

- Program is available for all students at FIU to have an enhanced awareness of the LAC region through direct experience, while preparing for overall career and workforce development.
- Target populations include students in the International and Intercultural Education Master's program, and other students in the School of Education and Human Development
 - Direct contact with IIE students
 - Information sessions for SEHD students
- Undergraduate outreach through Global Learning Medallion & Peace Corps Prep programs

Consultation Services Offered

- Highlighted Opportunities
- Customized Internship Search Strategies
- Resume Review and Editing

All services are available via in-person consultation appointments, via email, and are posted to our Web site.

Student as
Partner in
Consultation
Process

- **Step 1: What the student does**
 - Consider internship parameters including pay structure, location, field, employer type, and languages spoken
- **Step 2: What LACC does**
 - Provide internship suggestions and search strategies
 - Contact employers to determine availability of internships
- **Step 3: What the student and LACC does together**
 - Prepare resume, personal statements
 - Practice for interview
 - Apply internship experience toward FIU program(s)
