Special Tax Savers

If you are over age 72 or own grain commodities then a couple of unique giving methods may be a good fit for you. For those over 72, you may want to consider giving directly to the church from your traditional IRA. In most cases it can directly reduce your taxable income. For those who own grain commodities, by giving grain directly to the church this too can reduce your taxable income. For more information please contact Jeff Horn or Carroll Lavalleur.
