INDIAN HILLS COMMUNITY CHURCH

April 12, 2015

Thank you for joining us in the worship of our Savior, the one who has washed us whiter than snow, that we may stand in the presence of His glory.

We are thankful for each one, for the young and the old, knowing that the Lord has brought us together to grow, serve and honor Him with our lives. As we gather to worship, we are reminded that all eternity will not be enough to praise and thank Him for His grace, mercy and kindness shown to us through His Son.

We are thankful for the privilege to walk through this life with Him and for the fellowship He has given us in one another through the local church.

Speaking Today

We welcome Dr. Jason Lisle to the pulpit today. As Director of Research, Dr. Lisle leads the Institute for Creation Research's gifted team of scientists who continue to investigate and demonstrate the evidence for creation.

Growing Together

Church attendance over the winter and spring months has been encouraging and it is a pleasure to see

new faces become part of the church family.

As a church, we are sharing the gospel and bringing friends to worship services and classes. Some are sharing the good news door-to-door, while others share at school or work.

This is an exciting time in the ministry, as our Alpha Omega, high school, junior high, and Bible Fellowship groups are strong and made up of men and women who love the Lord and desire to bring Him glory.

The church family as a whole is growing spiritually. The congregation comes to church with a good attitude, a desire to worship and a genuine interest in others. People are interacting, encouraging and strengthening each other.

In a close-knit church like ours, there's bound to be hurt feelings or misunderstandings from time to time, but we love God's Word and remember that "love covers a multitude of sins" (1 Peter 4:8).

Isn't it sweet to be forgiven by a family member? Isn't it wonderful to forgive a brother or sister and let go of all ill feelings? This glorifies God, makes peace in the family and is a sign of maturity.

A decorative border surrounds the text, featuring a bird's nest with two blue eggs and a brown bird perched on a branch with green leaves and small red and blue flowers. The background is a light blue wash with faint floral patterns.
