

The Value of Integrative Nutrition

The Integrative Nutrition Health Coach Training Program is the first, longest running, and most respected course of its kind. The program's components have been honed over 25 years to deliver the skills and tools today's health coaches need in order to be successful. With faculty who are pioneers in health and wellness, a dedicated staff, and over 100,000 students and graduates in more than 155 countries, the program not only provides an unparalleled value, but an irreplaceable sense of community.
