Those teams that do not advance to the championship bracket shall automatically advance to the AAU World Classic bracket.
   2. Tournament Draw - A random draw shall be held at the National Committee meeting to place those Districts that did not earn seeding points. (It is impossible to keep teams from the same State or District from meeting one another in the first round of games of the single elimination or consolation bracket part of the AAU World Championship.) Teams that advance from the same pool will be placed in opposite halves of the bracket so that they will not meet again in the championship bracket until

Any person who is a registered sports agent or an agent or employee of a sports agent or agency, or any person who received compensation or consideration of any kind directly or indirectly from a sports agent or agency is prohibited from involvement in the AAU throughout the entire fiscal year (September 1 through August 31) during which any such compensation or consideration is received except as specifically set out herein. Violation of this policy may result in the disqualification of the team and/or athlete (or both), as well as other possible penalties as set out in this Code.
Any such agency, agent, employee or representative may apply in writing to the AAU for an exemption concerning this policy. If, in the sole discretion of the AAU, such person's involvement either with the AAU and/or the sports agency is found to be inconsequential, such exemption may be granted. Such exemption, if any, may only be granted by the National Board of Review. In order to be valid (such exemption) must be in writing and will be subject to review either annually or at any time based upon a change of circumstance related to such persons' involvement.

Documents in the Appendix are supplementary materials published for the convenience of members.

For a complete copy of the AAU Code refer to: [http://aausports.org/Governance-Policies/AAU-Codebook](http://aausports.org/Governance-Policies/AAU-Codebook)

**A. AAU Boys’ Basketball Policies**

1. **Sportsmanship**
It is the obligation of coaches, players, administrators, volunteers, and other representatives of the AAU to practice the highest principles of sportsmanship and to observe the ethics of competition. Good sportsmanship is defined as qualities of behavior, which are characterized by courtesy and genuine concern for others. The display of good sportsmanship is a statement of the individual's understanding and commitment to fair play, ethical behavior and integrity.

2. **High School Athletics**

Participation in High School Basketball is important to the social and athletic development of the AAU athlete. The AAU recognizes the influential role played by the athlete's high school coach and team. Accordingly, the AAU pledges its support of high school athletics. In keeping with that support, the following policies are appropriate:

a) The AAU Boys' Basketball Committee will not approve Super Regional Championship competition for athletes 15U/9th grade and older between the dates of November 1st and March 15th.

b) AAU Clubs shall not allow any athlete who is a member of a high school interscholastic basketball team to participate in AAU licensed tryouts, practices, or games, from the first day listed for high school basketball practice on the High School Federation calendar until the last game of the regular season has been played.

c) Coaches who are AAU members and school coaches should maintain open communications for the benefit of the athlete.

d) It is inappropriate for an AAU member to solicit or recruit a player to enroll in any particular secondary school.

3. **Athletics and Education**

Athletic competition is good unto itself, and opportunities for participation need not be restricted to individuals representing academic or scholastic institutions. However, the AAU recognizes that athletics can be a powerful tool for shaping the educational development of young people, and for the enhancement of educational opportunities for its participants. AAU organizations should consider the academic well-being of its athletes, and ensure that participation in AAU activities does not adversely affect their academic progress. The AAU Club should cooperate with the athlete and his parents to strike an appropriate balance among academic, social and athletic activities.

4. **Coaches’ Ethics**

The coach must be aware that he can be either a positive or a negative influence upon the development of the athlete. In all of his personal contacts with athletes, officials, parents, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct. In keeping with that goal, the following ethical guidelines should be observed by all AAU coaches:

a) The coach shall never place the value of winning above the value of instilling the highest desirable ideals of character.

b) The coach must always consider the personal safety of the athlete.

c) The coach shall be thoroughly acquainted with the rules and regulations of competition, and shall be responsible for their interpretation to team members. The coach shall not try to seek an advantage by circumventing the spirit or letter of the rules.

d) Game officials shall have the respect and support of the coach. The coach shall not indulge in conduct which will incite the players or spectators against the officials. Public criticism of the officials or players is unethical.
e) The coach should respect his opponents, display gracious behavior during competition and require his players to conduct themselves in similar fashion. Before and after the contest, rival coaches should exchange friendly greetings to set the correct tone for the event.

f) Coaches shall actively use their influence to enhance sportsmanship by spectators.

g) The coach shall take an active role in the prevention of drug, alcohol and tobacco abuse, and shall, under no circumstances authorize their use.

h) The coach must recognize the importance of the athlete's academic development and promote the proper balance between athletic and academic activities.

B. AAU World Championship Program Policies

1. Game Time: The game time will also be the forfeit time. No grace period will be allowed.

2. Officials: No official may work more than four (4) games in one (1) day or more than two (2) games in succession, unless approved by a commissioner. No official shall work any game involving teams from the City/County in which he/she resides (Division I and II AAU World Championship pool and bracket play, does not include AAU World Classic).

3. Hotel/Motel Policy: Upon approval by the National Sport Chair, an AAU World Championship Host may designate certain hotel/motel properties not to be used by teams participating in an AAU World Championship Event. The exact name and address of each property must be provided to the National Sport Chair. The AAU Boys’ Basketball Committee may reject entries of teams who reserve rooms in these designated properties. Once the AAU World Championship Event begins, team(s) can be required to vacate the designated property in order to continue to participate in the event.

C. Definitions

1. Practice - For the purpose of AAU licensing, practice is organized and/or regularly scheduled sessions supervised at all times by a registered AAU non-athlete and conducted for the purpose of preparing, training, instructing and conditioning only AAU registered athletes for AAU competitions. Tryouts and scrimmages are included as long as they meet all the requirements of the above definition.

2. Supervision - Supervision requires that an AAU registered non-athlete be physically present at all times at the practice premise or site during each practice session.

3. Scrimmage - A practice of an AAU club or with AAU athletes or another club. A scrimmage does not qualify as a practice if an admission fee is charged, or the officials are paid. Scrimmage results must not affect the team's/club's standings or rankings.

4. Qualifying Team - A team which has met the requirements to compete in the AAU World Championship.

5. Advancing Team - A team which is competing (participating) in the AAU World Championship.
