

Re:

I appreciate the opportunity to provide analytical testing services to you. Attached are your reports and other supporting documentation for the above referenced project.

Thank you for making [redacted] our lab of choice. If you have any question concerning this or other reports please feel free to contact us at [redacted]

We continually work to improve our service. Help us out by providing feed back on your experience at [redacted]. Click on Service Survey and fill out the form. We look forward to hearing from you.

Respectfully,

Environmental Chemistry Analysis Report

Note: Sample results have not been corrected for blank values.

This report applies only to the standards or procedures indicated and to the specific samples tested. It is not indicative of the qualities of apparently identical or similar products or procedures, nor does it represent an ongoing assurance program unless so noted. These reports are for the exclusive use of the client and are not to be reproduced without specific written permission.

Unless otherwise noted, upon receipt the condition of the sample was acceptable for analysis.

Wipe materials must meet ASTM E1792 criteria. Method detection limits and resultant reporting limits may not be valid for non-ASTM E1792 wipe material.
