ADD A DESKTOP ICON TO YOUR HOME SCREEN

**iPhone Users**

Open the Safari browser (you must use Safari to add the icon to your home screen). Enter this URL: m.selanigp.org

1. When the mobile home page loads, select the “Share” icon at the bottom of the page.
2. From the bottom row of icons, scroll until you see the “Add to Home Screen” icon. Click the icon.
3. Click the “Add” link in the upper right corner of the screen. The icon will be added to your home screen.

**Android Users**

Open the Chrome browser. Enter this URL: m.selanigp.org

1. When the mobile home page loads, click the “Share” icon at the top right of the page.
2. Select “Add to Home Screen” from the Share menu.
3. On the “Add to Home Screen” pop-up, click “Add”.
4. You will see the Mobile site icon on your desktop.
