

Jane E. Tierney bio

Jane founded [purple link](#) in 2015, recognizing *there's a better way* to obtain value and achieve results. Clients discover innovative ways to identify waste and risk leaking dollars from the supply chain, draining the bottom line. By collaborating with stakeholders and suppliers, using purple link's skills, tools and processes clients reduce cost and risk while sustaining successes year-over-year.

After earning a degree in Industrial Engineering from the University of Missouri Jane obtained her MBA from San Diego State. Passionate about Lean & Six Sigma, she holds green belt certification from the University of Michigan and earned Certified Professional Supply Manager (CPSM) and Certified Professional in Supplier Diversity (CPSD) accreditation from the Institute of Supply Management.

In addition to running her business, she is an adjunct professor teaching Operations Management and Supply Chain Strategies at California State University Northridge and serves on the advisory board for California State Long Beach Operations and Supply Chain Management program.
