As a general rule, I am not in favor of plastic surgery. However, sometimes it serves a very useful purpose. In the coming months, our website will be experiencing a face lift. This is not just for cosmetic purposes!!

At the June meeting, the membership saw a demonstration of the Chapter Manager software. This is a product developed by The New Linear Group, Inc. especially for chapters of NIGP to allow the chapter to function more efficiently. After seeing the demo, the membership voted in favor of buying the software. The task force is currently in the final stages of hammering out the contract language to move forward. The new software will make many functions of the chapter officers and the members much easier. Amongst other things, you will be able to pay your membership dues through the website, register for the quarterly meetings, and it even keeps track of your recertification points!! It will also be a major enhancement to registration for the Reverse Trade Show.

I’d like to again thank the task force consisting of Keith Glatz, Holly Raphaelson, Diane LeRay, and Kirk Buffington for bringing this product to us. Once the website is up and developed, there will be another demo for the general membership so that it will be easy for everyone to use.

Hope to see you all in September.
2009 CHAPTER OFFICERS

PRESIDENT
Herb Hyman, CPPQ, CPPB, FCPM, FCPA
Procurement Manager
Town of Davie
6591 Orange Drive
Davie, FL 33314
