**The Facts**

$50 serves one week of healthy meals for a family of five, providing parents and children with a real family meal.

$25 helps clean a child's teeth so she can feel more like smiling.

$100 pays the utility bill and keeps the AC on so a family is able to catch up after a tough time.

The Society of St. Vincent de Paul is dedicated to feeding, clothing, housing and healing individuals and families in our community who have nowhere else to turn for help. As important, SVdP provides meaningful opportunities for volunteers to serve their neighbors in need with love and compassion.
