

Hot/Cold Meal Trays

The Hot/Cold Meal Tray is made for inmate meal delivery. It features a tight fitting lid that covers and separates each compartment improving heat retention and reducing spills. Perfect for corrections, our see-through lids reduce the possibility of inmates tampering with food or hiding contraband in the trays. Specially blended stain resistant Co-polymer plastic, the three compartment tray is designed to be incredibly strong and will provide years of use in even the toughest correctional facilities.

Hot/Cold Meal Trays

- **Durable Construction**

Heavy duty design plus reinforced ribs add strength to tray ensuring a long lasting tray

- **Long-Wearing Material**

Specially blended rigid Co-polymer is stain resistant to ensure years of use

- **Great Value**

Economical Co-polymer trays are long lasting ensuring years of service for outstanding value

- **Tray Lid**

Translucent tray lid protects food from outside contaminants

- **Improved Security**

See-through tray lid protects food from outside contaminants and allows the security personnel to see contents so that it is more difficult for inmates to hide contraband in trays

- **Lid Provides Temperature Retention**

Tight fitting lid separate cold and hot foods and keeps outside air separated from food, helping to maintain appropriate temperature for longer time periods

- **Temperature Range**

-40°F to 248°F

- **Warewasher Safe**

Withstands harsh chemicals and high temperatures making it safe for warewashing and the special blended material does not become brittle over time

- **Microwave Safe**

Hot/cold meal trays can be placed in a microwave and will not melt or lose shape, and will stay cool to the touch

- **Immediate Shipping**

In stock with same day shipping

- **Package**

24 per case

- **Color Choices**
