

# Les Paul Special Double Cut TV

*Back in TV Black*

Last year Gibson Custom resurrected this beloved double-cut incarnation of the Les Paul Special guitar in classic TV colors while adding a new one, TV Black Gold. Now after popular demand -- TV Black Silver! The silver doghair grain of the mahogany pairs perfectly with the nickel hardware and black appointments. And like any of our Historic Double Cut Les Paul Specials, this guitar is extremely well-balanced, fast-playing and full of tone delivered by a blistering set of Custom P-90 pickups and all-solid mahogany construction.
