

PARCEL PRO[®]

a UPS Capital Company

Every piece you ship
has a story to tell.
Don't let this one
be a tragedy.

**A RETAILER'S GUIDE TO SHIPPING AND
INSURING HIGH-VALUE GOODS**

Every piece you sell has a story that isn't completely written. An engagement. Milestone anniversary. Graduation. Or some other special occasion. You put a lot into crafting or acquiring the most perfect piece. And your customer is emotionally invested.

With so much at stake, why leave anything to chance. Especially after it leaves your hands.

Welcome to Parcel Pro.

We understand how much is riding on each of your shipments. That's why we provide customized shipping and insurance solutions for retailers, independents and chains — large and small. Whether you sell your goods online, in a storefront or both, we can help you grow your top line while minimizing risks to your bottom line. And your reputation.
