The West Side Gemach, housed at the Jewish Center, is looking for volunteers.

There are two ways in which you can help: either by unpacking, sorting and labeling new donations OR by meeting with shoppers. Neither is a big time commitment (on average 2x a month for an hour or two) but YOUR HELP makes a big difference to the community of people who rely on this service.

ISRAEL CORNER • פינת ישראל

The following article has links to important information; please consider reading the online version of the Echod after Shabbat.

Extend the 10-Year Memorandum of Understanding

Today, Israel faces an unprecedented array of threats stemming from the growing instability in the Middle East. These challenges require Israel to significantly increase its defense expenditures. America must continue to help ensure that Israel has the resources to respond decisively to threats ranging from Hezbollah in the near term to a potentially nuclear-armed Iran in the longer term.

The current Memorandum of Understanding under which the United States provides security assistance to Israel expires in 2018, and discussions between the two allies are underway on the terms of a new agreement. There is a bipartisan resolution that expresses support for a swift conclusion to a new, expanded MOU. [Please urge your representative to support this bipartisan measure.](#)

Activities In Israel

This article is one of a series; to see a complete listing of activities suggested by our readers, visit www.lss.org/activities-in-israel.html

Take a break from the hustle and bustle of Jerusalem. Head to the Negev for the [Makhtesh Ramon](#) (Ramon Crater), Israel's answer to the Grand Canyon. The wide, open spaces, far from city lights and crowds, lend themselves to hiking, biking, horseback riding, jeep rides and, at night, a sky full of stars.
