The West Side Gemach, housed at the Jewish Center, is looking for volunteers.

There are two ways in which you can help: either by unpacking, sorting and labeling new donations OR by meeting with shoppers. Neither is a big time commitment (on average 2x a month for an hour or two) but YOUR HELP makes a big difference to the community of people who rely on this service.

Activities To Do In Israel

This article is one of a series: To see a complete listing of activities suggested by our readers, visit www.lss.org/activities-in-israel.html

L'chaiym! Ofer Yavetz recommends visiting wineries. His favorites are Tishbi and Amphorae. The [Tishbi Winery](#) is in Zichron Yakov. The founders of the winery were immigrants from Lithuania who, in 1882 were commissioned by Baron Edmund de Rothschild to plant and develop vineyards in the area. Today, you can tour the winery and taste the various wines it produces, dine in its fine restaurants and purchase gourmet chocolate.

The [Amphorae Winery](#) is located on the Makura Farm at the heart of Western Carmel region. This area is one of the most ancient wine production locations not only in Israel, but in the world. The name "Carmel" is probably a deviation from the name "Kerem-El," which in translation from Hebrew means "God's Vineyard." Guided winery tours at Amphorae describe the process of wine creation and explain the peculiarities of different grape varieties. And, of course, the tour offers wine tastings.

AIPAC: More than just a convention

Most of us are familiar with the annual AIPAC Convention. However, AIPAC works year-round, often behind the scenes, to strengthen the U.S.-Israel relationship. Please see brochures in the lobby. If all the copies are gone, please visit www.lss.org/advocacy and learn how Israeli solutions help save the lives of American soldiers. In this crucial election year consider how you can further support AIPAC. For additional information, visit aipac.org or contact anncrane2750@gmail.com
