

SIMCHA SPACE RENTAL OPTIONS IN THE WASHINGTON DC AREA

Below is a list of locations in the Washington DC area that are available for rental for Jewish events, including hotels with on-site kosher kitchens. Where relevant, we have included information about the venue's catering policy. Please cross-reference this Guide's section on [Synagogues](#), many of which have non-member space rental options.

Please note, as with all sections of this resource guide, this by no means represents an exhaustive list. If anyone wishes to suggest other space rental options to add to the list, please email us at lifecycle@dminyan.org. The information on this list was accurate as of November 2009; please email us if you find that it is no longer accurate.
