Celebrating 29 Years of Service to the Hillcrest Community
May 21, 2016
I would like to take this opportunity to thank each and every one of you who participated in this successful Seudas Shabbos Fundraiser for our Shul. Your commitment to and love for our Shul and the ideals that it stands for truly make you a supporter of Torah. May bless you and your family with many more years of and the ability to continue growing in your .

Special thanks go to our dedicated committee, its Honorary Chairman Rabbi Eliyahu Hartman and its Chairman Benjamin Zanjirian who worked long and hard to make this Seudas Shabbos a success. A special to Malky Schechter who prepared this most impressive Journal.

29 years is a full generation and for many of us it feels like it was just yesterday that we were nurturing the nascent new Shul that was to grow and become a vibrant and integral part of the Hillcrest community. If it were not for your foresight and commitment, we would not be where we are today. We may not feel as young as we once were, but we certainly can feel very proud of our communal accomplishments and we can and should face our future opportunities with continued zeal and excitement in our .

This year we are truly privileged to be able to bestow recognition upon , our Guests of Honor. The Sissers have enhanced our Kehilla from the day they arrived and continue to do so each and every day. They can always be called upon to lend a hand and get involved in all the good that goes on in our Shul and community. Josh & Rachel are among the most popular and respected members of our Shul as can be evidenced by the tremendous outpouring of love in this Journal and the record attendance at this event. May bless them with in good health along with from their beautiful children.

It is also our pleasure to recognize , our Kesser Shem Tov Awardees. We are all in awe as we watch this couple spiritually grow in their Yiddishkeit each and every day. Their wonderful reputation for Chessed and friendship coupled with their dedication to their children, family and community makes them a perfect couple for this award. May they be blessed with many years of success, health and happiness along with much from their children.

We hope you will all enjoy the relaxed atmosphere of a family Seudas Shabbos together with our worthy honorees, friends, and on this, one of the longest Shabbos afternoons of the year. May we all be together with our brothers and sisters in and throughout the world.
Chairman’s Letter

Many people worked hard to make this Shabbos Luncheon a special occasion. Special thanks to Rabbi Schechter and Malky Schechter who worked extra hard to make today’s event so beautiful. We would also like to thank all of the attendees and advertisers, whose contributions allow our Shul to function properly.

Many people take Shuls for granted. They just show up and expect everything to be "normal". They may not realize how much effort, energy & resources are required to create that "normal". With your support today, you have a big share in the creation and maintenance of the "normal" מקום תורה ותפילה of Ohr Moshe.

Drs. Josh & Rachel Sisser are a beloved couple who are constantly giving of themselves to others. As part of their commitment to our Shul they made extra personal efforts to include as many people in this Journal and Dinner! This year we ‘ברוך רבנו’ broke our Shul’s records on both accounts! Richard & Carol Schwartz-Messing are truly inspiring individuals who are constantly growing in Torah & Mitzvos and bringing others along for the ride. May Hashem grant all the honorees much happiness and success as a token reward for all their hard work.

Our Shul is a unique and beautiful מקדש נועם. Besides the meaningful תפילה in a decorum filled atmosphere and the educational שיעורים delivered by our Mara D’Asra and other highly qualified speakers it also provides a nonpolitical, warm and special environment for our families to cherish friendships with the likes of our honorees and each other. We are extremely proud of the recent influx of young families with young children to our Shul which is evident in the large number of youngsters present today. Our Shabbos Youth Groups and weekly MiniKiddush and of course our Mega-Playground have ‘ברוך רבנו’ become very popular.

May we be זוכי to continue to develop our Shul reaching greater and greater heights in ‘עבודת ה’.

Rabbi Eliyahu Hartman, Honorary Chairman

Benjamin Zanjirian, Chairman
Joshua Sisser and Rachel Bakst met at the Albert Einstein College of Medicine during the first day of orientation. They were married a year and a half later. When they graduated from Einstein, Joshua pursued a residency in anesthesiology at Montefiore Medical Center and Rachel began her residency in pediatrics at SUNY Downstate, culminating with her being selected as Chief Resident in Pediatrics. Looking for a convenient location and hearing such wonderful things about this community, they bought Josh’s sister and brother-in-law’s house on 174th Street in Hillcrest when Eve and Todd Sullivan decided to move next door to Rabbi and Ruchie Schechter. When they finished their residencies and Josh took a job at Huntington Hospital and Rachel joined the ODA Primary Health Care Network in Williamsburg, they moved to their current home on 170th Street. On almost every Shabbos, their home is filled with numerous children and adults enjoying the Sisser’s amazing hospitality.

Josh grew up in the Young Israel of Forest Hills where his parents, Fern and Arthur Sisser, still daven, when they are not visiting Hillcrest. Fern’s parents, Joseph and Rebecca Sassower A”H were founding members of the YIFH and Arthur served as its president. Josh attended MTA, Yeshivat Kerem B’Yavneh in Israel and is a summa cum laude graduate of Yeshiva University, where he was named the...
Rachel was born in Detroit and was raised in Israel until the age of 10. Her family moved to Chicago and Rachel attended the Hanna Sacks Bais Yaakov High School. She studied at Bnos Chava in Israel and was a summa cum laude graduate of Loyola University, where she was elected to Phi Beta Kappa. Rachel’s maternal grandfather was Rabbi Aaron Moshe Rine zt”l, the prominent Rav for many years of Congregation Bais Yitzchak Chicago, and her paternal great uncle was Rabbi Aryeh Leib Bakst zt”l, Rosh HaYeshiva of Yeshiva Gedolah Ateres Mordechai of Detroit. The marriage of her parents, Rabbi Dr. Jakob and Malke Bakst, combined two families steeped in Torah, education, and mitzvos. Thanks to Einstein Medical School, Josh and Rachel were able to meet and start a wonderful family. They are the proud parents of three lovely children: Aaron, Rebecca and Sophie. Aaron and Rebecca attend YCQ and IY”H Sophie will start there in the Fall.

Despite their extremely busy schedules, Josh and Rachel always find time to help their shul, their yeshivas and their community. Josh frequently lains in Ohr Moshe and Josh and Rachel, along with the Sullivans, provide the goody bags given out on Simchas Torah. Josh is deeply involved in the Avos U’Banim learning program on Motzei Shabbos at Yeshiva Madreigas Ha’Adam where he runs the annual Chanukah party and raffle and Rachel is an active board member of the Yeshiva of Central Queens.

Josh and Rachel are very excited about being honored by Congregation Ohr Moshe and hope to be able to continue serving this wonderful shul for many years to come.
Carol and Rick have been living in Hillcrest since 2000 with their two sons, Joseph and Aaron. Joseph is attending Queens College and is a computer science major. Aaron attends Yeshiva University, majoring in math.

Rick grew up in a secular Jewish home in Valley Stream, Long Island, with his three brothers. Rick’s younger brother, Michael and sister-in-law, Carol Rimm, became frum while spending a year in Israel after college. One day while living in Chicago, Carol called Rick to encourage him to attend a lecture by her favorite Rabbi, Dovid Gottlieb from Israel, who was touring the US and was scheduled to speak in NYC on the topic of ‘relationships’. Rick had no interest in Judaism at that time but was fascinated that Rabbi Gottlieb was a former analytical philosophy professor from Johns Hopkins University, who gave up his academic career to become an Orthodox Rabbi. Out of curiosity, Rick decided to attend the lecture. It was at this lecture that night in 1988 where Rick met his bashert, Carol Schwartz, who helped him discover the virtues of living a religious life.

Rick graduated from SUNY at Stony Brook with a psychology
major and computer science and math minor. Rick pursued a career as a computer programmer with Chemical Bank and Doubleday Publishing. After completing an MBA degree in finance, Rick joined Intel Corporation where he spent the next fifteen years in several strategic business development roles. Rick held similar positions at Staples and Curvature and is now reinventing himself as a web developer.

Carol grew up in Astoria, Queens, with her two sisters. After graduating with a BA from Queens College, Carol spent a year in Israel, first on an Ulpan/Kibbutz Sdot Yam for four months, then learned at Neve Yerushalayim in Bayit Vegan. She returned to Israel for an additional year to work in market research for Bezeq, in Yerushalayim. Carol returned home for her sister Roberta’s engagement to Joseph Flaschner, who also now live in Hillcrest. She received her MS degree from Queens College in Counselor Education. Carol currently works as a counselor/academic advisor at Queens College. Carol loves to meet and help the college students in our community.
Benefactors
We wish to express our gratitude to

Rabbi Schechter and his Rebbechet Ruchie

for everything they do for our community. It is their leadership and inspiration that draw so many families to congregation Ohr Moshe and make it an epicenter of Torah in Hillcrest. We are proud and honored to be members of this amazing shul.

We would like to wish a Mazel Tov to the Kesser Shem Tov Awardees

Richard & Carol Schwartz-Messing

on their well deserved honor. Thank you for your efforts on behalf of Ohr Moshe.

We would like to thank our parents, siblings, families and friends for all they have done for us and for showing us what it truly means to be Baalei Chessed. It is only by following their example that we have been able to accomplish anything that we have done.

A hardy Yasher Koach to

Benjamin Zanjirian and Rabbi Eliyahu Hartman

for all the hard work they do for Ohr Moshe and for ensuring that this luncheon is a success.

A truly great shul is made by its members and their actions. We want to thank all of the members of Ohr Moshe. From the mini-kiddishes to the youth groups, from the gabbaim to the group leaders, and all the special events in between, Ohr Moshe is full of people doing their part to make it a truly great Makom Torah.

With gratitude,

on this most deserving honor.

Your involvement in the Shul and the community is truly an inspiration for us all.

We cherish the times we spend together and hope to have lots of trips, shabossim, and get togethers for many years to come.

Special recognition goes to Aaron, Rebecca, and Sophie for being an amazing nephew, and amazing nieces, and amazing cousins!

With much love and admiration,

Congregation Ohr Moshe
Mazel Tov to our good friends

Josh & Rachel Sisser

We will never forget the first time we met them.
Josh was Eve's brother, but who was his wife?
She said she was Rachel's sister,
but who in Heaven's name was Rachel anyway???

We'd like to express our Hakoras Hatov to Josh and Rachel, who have been called in for professional consultations during many of our family's health crises - most notably Tova Gitty's case of strep throat on the day of Alexander's chasuna, and Bracha Esther's gallbladder attack on Shabbos Parshas Zachor.

It is well known that Josh is an excellent doctor and an amazing Baal Koreh. But how many of you know that he holds the winning record for "Name That Tune" on the Sisser Family App? Only we know Josh's secret weapon 😊!

We wish Josh and Rachel as much Yiddishe Nachas from Aaron, Becky and Sophie as they themselves bring to their wonderful parents, ad meah v'esrim shana.

Rabbi Asher & Ruchie Schechter & Family
We take great pride in joining Congregation Ohr Moshe and wish heartfelt Mazel Tov to

Rick & Carol Schwartz-Messing

Whether it is at the Annual Ohr Moshe BBQ, in the Perkals’ Dining Room on Shabbos afternoon, or even in the Aron’s Kissena Farms Parking Lot after closing, it is always an inspiration spending time in conversation with Rick and Carol.

There is so much we can learn from this truly humble couple. They teach by example.

They are always looking to do good, then striving to do better.

The Kochos they have put into their wonderful sons is apparent in the great Yiddishe Nachas they are blessed with, ביבל עון ז做大做强.

May Rick and Carol continue to grow from strength to strength in their Yiddishkeit, and inspire many (including Ted Cruz!) along the way.

With Admiration,

Rabbi Asher & Ruchie Schechter & Family

ON THIS MOST WELL DESERVED HONOR.

You have grown into pillars of this community and serve as role models for all to follow. The great acts of chessed you perform for Ohr Moshe and the Hillcrest community are an inspiration to all.

Our community appreciates everything you do: From always jumping to be the first to help when needed and ensuring that everyone is always happy to the silent acts of chessed that most people do not even know about.

Thank you for serving our community as a candyman, entertainment coordinators, an official football quarterback for the boys, doctors on call, a Shabbos afternoon hangout, Avos U’Vanim head, Simchas Torah candybag maker, group mother and so much more. Also, thank you for introducing the shul to the carpet sweeper that helps after every mini-Kiddush.

Thank you for being an amazing brother and sister. We feel privileged to have you in this community. (We also take some of the credit for bringing you here!) We are so grateful that we get to spend so much time with you and that our children can grow up together. Thank you for always being there whenever anyone needs you.

Dear Rachel & Josh

Words cannot describe how much we cherish your friendship.

Your loyalty and genuine concern for the welfare of our family has been touching.

Your wonderful children have enhanced the lives of our grandchildren enormously.

You are such wonderful role models for all of the young families that live with us in Hillcrest.

May you always be נוחים שם שמים with your אהבת הבריות נועבót and ידידות with genuine admiration and ידידות.

Rabbi Moshe & Fagie Faskowitz
In honor of the most wonderful fun and loving brother in law, sister, aunt and uncle,

Dr. Josh & Dr. Rachel Sisser

Whose spirit and passion for good embodies every fiber of their being. True examples of pillars in any community, the Ohr Moshe community is lucky to have them as members. The constant outreach of love and support that both Josh and Rachel give back to neighbors and friends on a consistent basis, is admirable. It is because of this that their children, Aaron, Rebecca, and Sophie continue to shine in the way of their parents. It is our bracha that

כליום שמטמו יכרוזו אבות אבותון הקדושים זיוו ויהי שמלת שברות

You should continue just being who you are....

Amazing people
