Erev Pesach - Sunday Night, April 13

It is forbidden to eat Matzah on Erev Pesach. Sunday night April 13, after the appearance of three stars (the Mishna in Pesachim refers to this as the "Light of the Fourteenth"), we search for chometz everywhere we bring it during the year. Someone not participating in the search places ten pieces of chometz in random locations to which we bring chometz during the year (failure to do so does not invalidate the search, but be very careful to find all ten pieces). Before the search recite the Bracha "אשר קדשנו" – on the removal of chometz (for the search is the beginning of the process). After the search, one declares "כל חמירא" (preferably in a language that he understands) nullifying all chometz and sourdough of which he is unaware.

Erev Pesach - Monday, April 14

First born have a custom to fast, redeem themselves with money for Tzedakah, or participate in a Seudat Mitzvah such as a siyum. Chometz set aside for breakfast may be eaten until the end of the fourth proportionate hour after dawn (10:43 AM). One may sell chometz, give it away to a non-Jewish acquaintance, or feed it to an animal until the end of the fifth proportionate hour (11:49 AM). The chometz you authorized Rabbi Goldstein to sell must be placed in a reserved area. The sale to the non-Jew is considered part of the removal (ביעור) process. Burn the remaining chometz before the end of the fifth proportionate hour (11:49 AM) and say the formula of "כל חמירא" nullifying and making free all chometz of which we are both unaware and aware. Do not make any Bracha (one should have in mind that if the sale to the non-Jew is found invalid, such Chometz too is nullified and rendered free).

One washes (some immerse themselves in a Mikveh) and makes all necessary preparations in honor of Yom Tov. One must complete all of the preparations for the Seder while it is still daytime. The Romaine lettuce must be thoroughly cleansed and then carefully inspected for bugs. The horseradish must be grated. The Seder table must be completely set and arranged. All this must be done before Yom Tov.

SUPPORT YOUR SHUL

Pesach - Monday Night, April 14 - First Seder

After the appearance of three small stars, some married men don Kittels, and we take our places at the table. The leader has someone else pour each of the Four Cups of wine for him (in the manner of a wealthy free man) and we begin the Seder with Kiddush, including שהחיינו, and adding insertions for Shabbat. We follow the order presented in the Haggadot.

All four cups at the Seder must be full, containing at least a רביעית of preferably red wine (a רביעית is a little more than 3 ounces or 86.5 grams, but for the first cup of the first seder on Shabbat, the stricter opinion should be followed and the cup should hold a little more than 4 ounces or 113.40 grams). One should drink the entire cup, but must finish at least the majority of a רביעית. The Four Cups, as well as the eating of the Matzah, Hillel's sandwich and Afikomen, must be done in a reclining position to one's left side (בהסיבת שמאל). Women and children are obligated to drink the Four Cups, although children can be given small cups relative to their age and size.

Prayer for Dew - Mussaf - Tuesday, April 15

The Chazzan dons a Kittel. We still say "משיב הרוח ומוריד הגשם" during silent Shemonei Esrei at Mussaf. In his Repetition the Chazzan stops saying "...ומוריד הגשם" The congregation no longer says "...ומוריד הגשם" at Mincha. It is advisable to repeat 101 (or at least 90) times the phrase "אתה רב להושיע מכלכל חיים"; so that it becomes fluent and habitual, thereby avoiding any future doubt as to whether one failed to omit "משיב הרוח ומוריד הגשם" or not.

Second Night - Tuesday, April 16 (Counting the Omer)

We wait until Tzait before lighting candles or before doing any preparations for the second day of Pesach. We delay Maariv until after Tzait. Each night before counting the Omer we recite the Bracha "...ספירת העומר" and then proclaim the current day of the Omer. Both the Bracha and the count itself must be done while standing. It is best to count the Omer after Tzait. If one counted before that time, it is proper for him to count again, after Tzait, without a Bracha. If one counted earlier than Plag HaMincha he must count again with a Bracha when the stars appear. If one forgot to count at night, he must count during the day without a Bracha. He may then continue to count again on all of the successive nights with a Bracha. If one failed to count an entire day, he must continue to count the following nights without a Bracha. In such case one should intend to fulfill his obligation by hearing the Bracha from the person making it for the congregation.
